

BIG SIX

The Big Six wheel is a fun and entertaining game. The object of the game is to correctly guess which symbol the wheel will come to rest on.

The layout contains pictorial representations of actual symbols on the Big Wheel. To play, simply place your wager on any of the symbols and if the wheel comes to rest on the corresponding symbol, you WIN! In the event that the clapper comes to rest between two numbers or symbols upon completion of the spin of the wheel, the spin shall be void and the dealer must re-spin the wheel. It's that easy.
